Introduction

Nestled within the historic grounds of Broadlands, the residence of the Earl and Countess Mountbatten of Burma, lies a trio of enchanting locations, each offering a captivating backdrop for both Civil and Celebrant-led ceremonies.

Civil ceremonies and celebrant led events are available from the beginning of May until the end of September each year, excluding Sundays.

At each location, you and your guests will have up to three hours to enjoy your ceremony, have a toast, and take photographs.

My historic family home is a very special place that I hold dear, I am pleased to be able to host these very special occasions.

The Walled Garden

The Walled Garden is a haven of tranquility transporting you to eras gone by. It is a beautiful outdoor area in which to be married.

The historic, listed, brick walls and planting provide a private, tranquil space, sheltered from the rest of the world.

The walled garden can accommodate up to 50 guests.

The Orangery

The Grade 2* listed Orangery was begun by Viscount Palmerston before 1736.

Lancelot 'Capability' Brown designed and added a second phase alteration, the western portico, in 1769.

Later, Henry Holland undertook some alterations to the portico and lengthened the building.

Lastly, in 1875, the glass roof structure to the east extension was added.

From 2020 to 2022 the building was restored. It is the ideal space to make a lasting impression and have an unforgettable day.

The Orangery can accommodate up to 50 guests.
